Fathers' Day Breakfast A Huge Success!

28 fathers and other male Aerie members were treated to a delicious complimentary breakfast at the Aerie on Fathers' Day. They were joined by 13 others who came out for a great breakfast. WVP Doug Nash had the kitchen crew working like a well-oiled machine and no one had to wait more than a few minutes for their made-to-order breakfast. Our Eagle hats are off to Doug and the crew for their hard work and to Aerie 3171 for treating us!

From the Worthy President

If you've stepped outside recently, you've noticed it's summer! In addition to sweltering heat and humidity, it means our ranks have shrunk for a few months as our winter residents have returned to perhaps cooler climates. Your Aerie and Auxiliary need you more than ever during these months. Please support us with your attendance and participation. The officers and trustees of the Aerie and Auxiliary want to continue to offer meals, games, and entertainment but we can only do so if the members are out of the house and into the Aerie!

We have several opportunities for volunteers, too. If you can help see me or Madam President Cindy Knowles.

Fraternally,

Ed Rayburn, Worthy President

Sez the Secretary

Just a reminder that anyone who has not paid his or her dues will be dropped by the Grand Aerie on July 11, 2022.

The Aerie has gained ten new members and added one re-enrolled member this month. That is very good for this time of year. I still have several people who have not come in to be Initiated as of yet.

The Aerie has been doing very well and I hope it continues through the summer. Hopefully some of our new members will step up and help keep our Aerie growing.

The Aerie still needs a Chaplain as the position was not filled during nominations. If you are interested let an officer know.

Fraternally,

Bob Jones, Secretary, Aerie 3171

SUPPORT EAGLES CHARITIES!

Trustees Wisdom

Volunteers are always needed as well as participation from the members.
The Friday Fish Fry has been cancelled for now, but come on out for a fried flounder sandwich at lunch!
Ideas from our members are always welcome and encouraged.
Fraternally,
Gussie Killion, Trustee

3171 Auxiliary News

I want to welcome our new Auxiliary officers for this year. The officers are listed on the board when you come in to the Aerie. We need a conductor! If anybody is interested please let me or Secretary Char know. We are looking forward to working with our Worthy President Eddie Rayburn and all the other officers to make this a great year! We need volunteers to help around the club and at upcoming events. If interested please let me or any of the officers know. We are planning events to help raise money for our charities and for the Aerie and the Auxiliary. I hope everybody has a great and safe 4th of July!!!
Your Madam President, Cindy

The Rider Corral

Members are asked to keep a watch for "Rides to Nowhere" which are posted on the Bradenton Eagles Rider 3171 page. They are normally on weekends out in the country, early morning hours before the heat, \$5.00 per rider to fund our charities. All are welcome to join us. Two, Three and even Four wheelers. Please join us!

Note: Our meeting this month will be on the second Monday, July 11th at 7:00.

Sadly, long time Aerie and Eagle Rider member Billy Gleaton passed away on June 23, 2022. Rest in peace, Brother Billy.

Fraternally,
Gussie Killion, Secretary
